Desert Mountain High School

Home of the Wolves

To Whom It May Concern:

This letter is to recognize Easton Reagan as a member of our basketball program for the past 3 years. Easton has displayed tremendous amounts of class, sportsmanship as well as leadership while being a two-year varsity player (going to be three this coming season). Easton is extremely even tempered when it comes to everything he does, he never gets to high or too low. Easton spends countless hours in the gym and has established himself as a player that can lead a team as well as compliment other good players. I would consider Easton one of the cornerstones in our program and someone that younger players can look up to. Easton has always been a student athlete both in the classroom and in the gym, he thrives on learning and being coached as well as working hard to improve his craft. I have no reason to believe that these attributes won't follow him to college, wherever he decides to further his education and basketball career. If you have any further questions, please feel free to reach out.

Thanks,

Mark Schumaker

Head Varsity Basketball Coach
